ABOUT ME

A passionate Software Engineering 3rd year student seeking an internship to learn and grow. I enjoy working in teams, contributing to meaningful projects, and continuously improving my skills. I am excited about the opportunity to make a positive impact and develop professionally in a dynamic environment.

EDUCATION

Sri Lanka Institute of Information Technology

Nov 2022 - Present

- BSc (Hons) in Information Technology specializing in Software Engineering

Ruhunu Vijayaba National College Beliatta

2007- 2020

- G.C.E Advanced Level (Physical Science Stream)

WORKING EXPERIENCE

PixelX Solutions (Pvt) Ltd

2022-2024

Creative designer

I served as a creative designer at PixelX Solutions, where I contributed to visual design projects, creating compelling graphics and layouts. I collaborated closely with clients and internal teams to deliver innovative solutions that met their branding and marketing objectives.

PROJECTS

Stellar-build-ERP : ERP system for a construction company
